Residencial Serena Views is located on the first line of the prestigious "La Serena Golf" course, which is renowned for its beautiful lakes and vegetation that intertwine throughout the countryside. Water and lakes are present on 16 of the 18 holes, but the entire course is designed to offer the golfer alternative strategies on each hole. Another unique aspect of this course is that it is connected on foot to the city centre, which is not found in any other golf course. This allows us to enjoy the calm and beauty of the environment without giving up the services offered by Los Alcázares. The Mar Menor is one of the main attractions of the Costa Cálida. It is the largest salt lagoon in Europe, covering 170 km² of surface and containing five islands. The weather conditions, the warmth of its water, and the absence of currents and large waves make the Mar Menor a unique destination for swimming and all kinds of water sports.[IW]
